**WELLNESS WEEKEND**  
Saboro, a unique new-age health-food concept by Mahindra, has teamed up with the Nanhi Kali Foundation, which works to educate underprivileged girls, for its wellness weekend. They will be hosting Nanhi Kali as part of the wellness weekend to extend their solidarity towards the cause. Wellness, the brand believes, is a holistic manifestation of physical and emotional well-being. Guests at the outlet have the opportunity to interact with the girls and extend their support to the Nanhi Kali Foundation ([www.nanhikali.org](http://www.nanhikali.org)), that works towards educating and empowering the

girl child. Saboro offers an avant garde range of experimental cuisine comprising of handcrafted cold pressed juices, smoothies, salads, refreshments, and desserts made with the most nutritious ingredients. The menu at the Lounge has been created in partnership with leading chefs and nutritionists. With 'Healthy Indulgence' being its core offering, Saboro is targeted at individuals and communities who seek a delectable cuisine that's nutritious.

## The Free Press Journal (Food)

If it's healthy, it's not tasty is a mindset we all have. **Saboro** (tasty in Spanish), a health food lounge from Mahindra Agri Solutions in South Mumbai, proves us wrong.

A cosy lounge with a vibrant décor and an open kitchen, Saboro's menu is an interesting mix of all things healthy - juices, salads, smoothies and the main course.

A fab place for the health-conscious in you!

**A meal for two:**  
₹ 700 (approx).
